

# NBCT Component 2: Differentiation

Evidence varies between disciplines; find your subject and level in the guide. Submissions may require storyboards, instructional materials, student work samples, videos, or assessments. All require written commentary.

Current iPhone users: Scan the QR codes below using your Camera app.

Android, Windows, or older iPhone users: Download a QR code reader app from your app store.

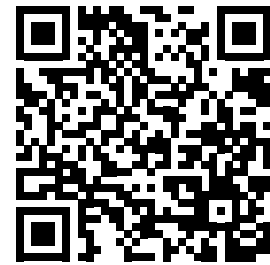

If you do not wish to use the QR codes you may type the web addresses in your browser app.
